I recall discussing your position on education and teacher pay at the Beagle Bagel during the campaign. This being a very important issue to me, I asked you to look me in the eye and tell me you were serious and this was not simply "Political BS"; you did. Today you kept that promise. My family and extended family of teachers thank you for staying focused on this issue. Oh, the media has said that some of the Legislators are "upset" regarding your political style. Well that's ok, they don't have to like you, but they darn sure have to respect you. Today you gained that respect.

Thanks again for staying the course.
